Other Experience

Environmental Maintenance Worker - The Edison Institute, Dearborn, Michigan

08/2009 - 01/2016

At The Edison Institute, I worked in a team orientated environment where I performed some leadership roles at The Edison Institute. My primary duties ranged from building maintenance to animal rescue. Other responsibilities included irrigation installation and removal, sod and tree installation and removal, and snow removal. I also monitored all the wildlife within the 240 acres including Greenfield village.

Lot Manager - Suburban Chrysler

10/2007-08/2008

My primary duties at Suburban Chrysler were running CarFax reports, appraising trade in vehicles, filing documents, maintaining the car lot, and transporting vehicles.

Receiving Clerk - Meijer

04/2007-08/2007

At Meijer I was responsible for checking in goods from incoming shipments. I would separate, sort, and store goods using floor jacks and fork lifts.
